

```
AddType text/cache-manifest .appcache
```

```
ExpiresByType text/cache-manifest "access plus 0 seconds"
```

```
# for NGINX use:
```

```
#    text/cache-manifest                appcache;
```

```
#
```

```
# on the /etc/nginx/mime.types file and on the config file:
```

```
#
```

```
#    location "~ \.(?:manifest|appcache)$ {"
```

```
#        expires -1;
```

```
#    }
```
